CALL FOR SPONSORS

Goat Couture is made possible in large part by the generosity of our wonderful community partners, sponsors, and volunteers! This year, our goal is to at least double the amount we were able to provide to our participating FFA (Future Farmers of America) chapters in 2023, which means it's time to roll up our sleeves and get to work for our high school future leaders of agriculture.

With sponsorship levels to suit every budget and interest, your business or organization has an exceptional opportunity to engage with a vast audience passionate about supporting local businesses and initiatives. Following the success of the inaugural Goat Couture event in September 2023, which drew over 1,400 attendees, we anticipate an even greater turnout this year!

WHAT IS A GOAT FASHION SHOW?

A goat fashion show is like a runway event, but instead of human models, adorable goats strut their stuff in stylish outfits! Imagine these creatures parading across an arena, showcasing their various themed costumes. It's a delightful blend of creativity and cuteness as these fashionable goats display their unique personalities through their themed outfits, bringing joy and laughter to all who attend. Goat Couture combines goat fashion competitions, exhibitors and vendors, live music, and kid-friendly activities for the whole family—all for a good cause! It's a day filled with excitement, laughter, and community engagement.

WHY ARE WE DOING THIS?

On a trip to San Francisco in 2023, local attorney Milena Christopher saw an ad for a 'Goat Fashion Show' and had to check it out! She saw Dripping Springs as the perfect spot to bring such an event, a fun community opportunity and a way to benefit local FFA chapters, so she created LOOMC Charities Inc, a 501(c)3 corporation, to sponsor the event.
